ARTICLE VII

Section I Car Show

A. Introduction

1. Car Show is an event displaying Corvettes in class competition.
2. Corvettes are broken into four classes and each class into divisions.
 - a. Coupes and convertibles (roadsters) are classed together.

R) B. General Entry Requirements

1. Entrant agrees to abide by Car Show Chairman decisions.

2. Entrant acknowledges that all Car Show entrants' classifications are subject to the final approval of the Car Show Chairman.
 3. Entrant agrees to abide by Car Show Code, Protest Committee and local requirements.
 4. A car cannot be entered in Concour, Car Show or Park and Show concurrently.
- R) C. Display requirements (All Classes)**
1. All entrants must comply with the following rules prior to the starting of judging.
 2. Hood will be open. If the hood is not open, no points will be awarded for the engine and engine compartment.
 3. Doors will be closed. Trunk may be opened or closed. If open it will be judged as interior.
 4. Windows are to be down. If the windows are not down, no points will be awarded for the interior.
 5. Roadsters, if equipped with convertible top, may have top up.
 6. Roadsters, if equipped with removable hard top, may have hard top in place.
 7. T-top Corvettes may have tops installed on luggage rack or removed.
 8. Installation of any trailer hitch for the express purpose of carrying handicapped equipment or modifications to the automobile to accommodate handicapped persons is permissible in all classes and will not effect classification.
- R) D. Sponsoring Club Responsibilities**
1. Registration shall provide each entrant with a score sheet, Corvette description card, dash plaque, Do Not Touch sign, envelope to self-address for results mailing and access to the WSSCC Competition Codes and the Car Show Competition Handbook (Pending Council Approval).
 2. Select a Car Show Chairperson who will have the power to make decisions for the show. A Protest Committee will be established for each car show in accordance with Part III, Article I, Section X to handle disputes.
 3. A separate sheet of paper must be used by judges for comments and will be supplied at the event to all entrants so they would know the reasons for the car being judged the way it was judged. If points are deducted for classification, the judge must state reason(s) on the comment sheet.
 4. Will use the following schedule:
 Clean-up: 8:00 - 11:00 a.m. (strictly enforced to give equal time)
 Start and end time may be modified by Sponsoring Club if published in advance of the date for the show.
 Judging: 11:00 a.m.- 3:00 p.m. (allows time for judges to be ready)
 Awards: 3:30 p.m. (earlier if possible)
 5. Sponsoring club should, whenever possible, select judges who are knowledgeable, or who are current or recent owners of a Corvette(s). Under no circumstances should a group which is not affiliated with Corvettes be asked to judge other than special awards.
- R) E. Classes and Divisions**

- R) I.** Competition Entry Requirements
1. Must show proof by results or common knowledge of Corvette having been used during competition by entrant in six Rallyes, Drags, Hill Climbs Road Races or Autocrosses. A minimum of three events must have been in the last twelve (12) months.
 2. Not necessarily street legal.
 3. Must have a roll bar if required by code.
 4. Must have mounted fire extinguisher if required by code.
 5. Must have an approved helmet in Corvette.
 6. Must have scatter shield on standard shift transmission if required by code.
 7. Must have double throttle return spring if required by code.
 8. Must be shown as prepared for competition (i.e., races tires, if applicable, installed, no wheel covers unless permanently attached for competition purposes).
- J.** Cleanliness
1. The following are examples of the lack of cleanliness.
 - a. Wax build-up
 - b. Mud, dirt, scum, grease
 - c. Cigarette butts and ashes
 - d. Water spots/smears
 - e. Hair/lint
 - f. Road tar
 2. Cleanliness is not a "condition". If it is worn but clean, awards points as such.

R) K. Judging (All Divisions)

1. Corvettes will be judged for the class:
 - a. Stock - Originality, condition and cleanliness
 - b. Modified - General condition and cleanliness
 - c. Custom - Quality of modifications, condition and cleanliness
 - d. Competition - Competitive components, condition and cleanliness
2. All Corvettes will be judged as follows:
 - a. Exterior Condition and Cleanliness of paint, chrome, glass and bodywork.
Maximum Points - 25
 - b. Interior Condition and Cleanliness of dashboard, glass, trim, upholstery and carpet.
Maximum Points - 25
 - c. Tires and Wheels Condition and Cleanliness. Judge tires to the second tread inward and wheels from the point of attachment to the axle outward. Brake drums, rotors and inside of wheels are not to be judged.
Maximum Points - 25
Note: Cars in Competition Class will not have tire tread area judged if the car has race tires. As per WSSC Code, race tires are defined as any tire without a D.O.T. rating or any tire with a tread wear rating below 150. Wheels and sidewalls will still be judged.
 - d. Engine and Engine Compartment Cleanliness (Judge engine from the valve covers up and for its division).
Maximum Points - 25
 - e. Point deductions will be in "1/4" point increments only for each item. Example: 1/4 point for lint on seat, 1/4 point for fingerprint on door, 1/4 point for wax on tail light on lens, etc. Judges may total multiple infractions of same item, i.e. wax in three lenses could be 3/4 point deduction.
3. Each area will be judged by three judges.
4. No judge shall have been a member of any clean-up crew or be a contestant in the class being judged.
5. The sponsoring club will hold an informal judges' meeting just prior to judging with all judges in attendance.
6. All Corvettes entered in the Car Show will be judged in their division by the same judges.
7. No judge will be allowed to touch any entry at any time.
8. Judges are required to enter comments on the score sheets. No comments provided will be considered as no deduction found and a score of "25" will be entered at the time of scoring regardless of the judge's score provided at the time of evaluation.
9. Points awarded by three judges in each area will be averaged. Averaged points for all four areas will be totaled.
10. Entrants that are in a class by themselves must attain a minimum of 85 points to receive a class award.

R) L. Awards Presentation

1. A minimum of half the entries in each class will be awarded trophies.
2. In case of a tie, duplicate awards will be provided.

M. Disqualification

1. Disqualification may occur for:
 - a. Any Corvette being cleaned after stop time announced by officials.
 - b. Any contestant willfully interfering with the judges.
2. The Car Show Protest Committee reserves the right to disqualify any entrant if it
